To Whom It May Concern,

LeasePlan Australia has been using the services of Kane & Co Electrical for approximately two years. In that time Kane & Co have been very quick to respond to quotation requests or any job that is required. They have always been able to work in with after hours or weekend jobs.

The electricians are professional, courtesy and friendly and jobs are always completed in a timely manner.

I would be happy to recommend Kane & Co for their reliable, friendly service.
